Distribution Coordinator:	Martin Avery	01954 781233	34 Acorn Avenue

The objectives of the association are to act as an intermediary between residents and other parties, to keep residents informed of matters of importance and recreation in and around the village, and to promote the interests of Bar Hill. Opinions expressed in this publication are not necessarily those of the Association. Anonymous letters will not be published, but names and addresses may be withheld. However, these may be made available should a written request be received. This is a private publication and may not be reproduced in any way without the prior permission of the Bar Hill Residents' Association Committee.

ADVERTISING

All matters relating to advertising should be addressed to the Advertising Coordinator bunty.waters@ntlworld.com. Quarter-page adverts cost £16.50 per month and must be submitted by the 1st of the month prior to inclusion. These ads are for local businesses and we guarantee publication, but this often results in a waiting list.
To help overcome this, we publish Maxi and Mini ads which appear throughout the publication. We cannot guarantee their inclusion, though, due to restrictions of space. Maxi ads (6cmx4½cm – 9cmx6cm) are £8.50 per month; Mini ads (6cmx2cm – 6cmx4cm) are £5 per month, and should be submitted by 15th of the month prior to their inclusion.

EDITORIAL

There is no charge for Articles, What's On, For Sale or Lost and Found. These appear at the Editor's discretion. Please submit items by 15th of the month. [Items offered For Sale will be advertised in two consecutive editions, so please let the Editor know if the item(s) sell after the first time.] All items can be submitted electronically on disk or to bhneditor@yahoo.com *[a Word file is best, please]* or hard copy via Parish Council Office.

Dear Editor

Earlier this year it was sadly necessary for me to make the decision to leave Bar Hill. I have been in the village for over thirty years and seen many changes, but the one thing that has been ever-present is the sense of community.

You only have to look through the Bar Hill News to see that there are plenty of activities and clubs in which to become involved. All ages are catered for.

For those of us who have retired or do not work, it is possible to find something to do most days of the week: Happy Hour on Monday; Keep Fit on Tuesday; Health Walks, Coffee Stop and Art Club on Wednesday; Knit and Natter on Thursday.

Some of us are not as mobile as we once were, either due to age or ongoing health issues. As a result many of us find the prospect of exercise daunting, but all is not lost! There is a Health and Wellbeing Club on the second Tuesday of the month. But if you feel the need to exercise on a more regular basis, Forever Active have Strength and Balance classes every Friday in the Church. You may have seen their ad in the South Cambs magazine, or you can contact Hannah: 07779 244250.

An area of real concern is loneliness – not just in Bar Hill but nationally. Men in particular are less likely to join groups and are therefore more at risk. Well here's a challenge, gentlemen! Don't let us girls have all the fun! Broaden your horizons!

Have you considered setting up a Man Shed group here in Bar Hill? Don't know where to start? Why not take a look at the Man Shed homepage: themanshedd.org.uk? It offers a range of activities, as well as mental health issues such as depression and loneliness.

Last of all, how about the young people. Any budding journalists interested in providing a monthly 'blog' to be included in BHN?

Having said all that has made me realise just how much I will be missing by moving away! To my dear friends, lovely neighbours and local heroes who keep this community alive... I wish you good health and much happiness.

Hope you all have a happy, healthy, peaceful New Year.

Ros Simpkin, Little Meadow

Hi Everyone

We would like to say thank you to all that called at 12 Appletrees to see our garden light display over Christmas, and for the donations given for the Cardiac Unit, Addenbrookes, you raised £125.08.

HORRIBLY CLEVER CREDIT CARD SCAM!

It started with a phone call.

Was I going to be at home because a courier company had a package that needed to be signed for? As promised, within the hour a uniformed delivery man arrived with a beautiful basket of flowers and a bottle of wine. I was pleasantly surprised as it was not my birthday so I enquired who it was from.

The courier replied that he didn't know but often a card arrived separately.

He then explained that because the gift contained alcohol, there was a £3.50 "delivery/verification charge," providing proof that it had been received by an adult, and not just left on the doorstep where it could be stolen or taken by anyone, especially a minor. This sounded logical and I reached for my purse. However he said it must be credit/debit card, so that there was a legal record. Plus he said couriers don't carry cash to avoid loss or robbery.

He duly produced a card machine, I inserted my card, entered my PIN and was given my card back with a receipt. With a cheery 'Enjoy!' he departed and I did indeed enjoy the unexpected flowers and wine... for a few days. Then, to my horror I found £4,000 had been charged/withdrawn against my card.

X the phone call had been fake;
X the courier was fake;
X the card machine was fake and able to read my card details.

I notified the bank who issued me with a new card.

Apparently I wasn't the first victim of this scam.

WARNING:

√ Be wary of accepting any "surprise gift or package," involving any payment as a condition of receiving it.
√ Be wary of accepting anything with no proper identification of who sent it.
√ Only give out any personal credit/debit card information when you yourself initiated the purchase or transaction.

— 8 O'CLOCK CLUB —

We are a women's group that meets on the first Thursday of the month in the lounge at the school at 8pm. The cost is £10 for the year plus 50p each month to cover the raffle and coffee.

— WILDLIFE TRUST —

Huntingdonshire Local Group

Dormice – Wednesday 14th February at 7.30pm.
Our topic will be 'Dormice' a talk by Ian White, Peoples Trust for Endangered Species, and Gwen Hitchcock, responsible for dormouse monitoring for our Trust. Ian has been involved with the introduction of Dormice throughout the UK and he monitors both nationally and locally. Ian will reveal the secret lives of these enchanting animals and the progress that has been made with their re-introduction.

Islander – Wednesday 14th March at 7.30pm.
Patrick Barkham, Natural History writer, will regale us with tales from one of his latest books 'Islander'. He will seek to demonstrate what it is like to live on a tiny island in the UK, describing the many habitats and associated wildlife found in these islands, whether they are small and apparently deserted, or whether they appear to be superficially suburban with little of the obvious natural resources in which to flourish.

Both these presentations should be really appealing to anyone interested in wildlife. They will take place at Brampton Memorial Hall, Thrapston Road, Brampton, PE28 4TB. Everyone is most welcome to attend. Booking is not necessary. Entrance charge £2.50 (accompanied children free). Please contact Tim on **01480 457795** for more information.

Registered Charity No: 1000412

MUSIC TO MY EARS!

As part of a study at Cambridge University, I'm writing to invite you to participate in a project that explores your child's everyday life using an innovative technique called Experience Sampling.

We would like to know what music your child hears in everyday life at home and when out and about. If you'd like to join this quest, please read the rest of this letter carefully.

Participating in the study will not require you to do anything out of the ordinary. You will simply have to a) fill-in an online questionnaire and b) answer 1- 3 minutes-long phone calls to your mobile phone during a week of your choice. During phone calls, we will ask you a short set of questions about any music that might be playing or have been playing recently.

To take part, email or phone me at the contact address below to:

- share full details of the study with you, including the consent form, and answer any doubts you might have.
- Set the 'target week'. You need to find seven consecutive days, but they need not be a Monday to Sunday. If there are any sensitive activities that you would prefer not to be interrupted in the week (for example, hospital visit, religious ceremony), please tell us and we will guarantee not to contact you during those times.
- Set "sociable hours". We agree to set any time at your convenience within a single day. Because we're interested in what music your child hears in everyday life, breakfast and bedtime might be worth including.

Once we have agreed dates and sociable hours for your study week we guarantee not to contact you outside these hours, and we will grant you access to our online consent form as well as the mentioned questionnaire.

I really hope you will be able to help with this very innovative project!

Juan Pablo Robledo del Canto, PhD student, Centre for Music and Science, University of Cambridge.

Keeping warm and well this winter – every winter there are around 240 deaths in Cambridgeshire due to cold weather. Winter conditions are associated with an increase in injuries and illnesses such as heart attacks, strokes and pneumonia. It can be particularly harmful to those that are older, under the age of five or have a long term health condition such as heart, lung and kidney problems. Keeping warm is an important way to stay well during the winter months. Top advice: • keep warm and healthy by heating rooms to at least 18°C; • don't put off getting the flu vaccination. If you're eligible get it now. It's free because you need it; • look out for friends, relatives and neighbours who may be vulnerable to the cold; • stay tuned to the weather forecast and plan ahead with supplies; • if you meet the criteria, register for priority service with your energy and water suppliers; • have regular hot meals and drinks throughout the day and keep active to help you stay warm; • get financial support to make your home more energy efficient, improve your heating or help with bills; • have your heating and cooking appliances checked regularly; • wear a few layers of thin clothing rather than one thick layer, and when you need to go outside wear shoes with slip resistant, good grip soles.

X-rays and test results – we would like to remind patients that you need to contact the surgery in order to find out any test results including blood tests, urine, X-rays and ultrasounds. Unfortunately, we do not have capacity to contact patients with their results, even if there is an abnormality. Please contact our receptionists after 11am for your results, and they can pass on any comments and advice from the GP.

Carers Support Meetings – our next meetings are at Willingham Surgery on Wednesdays: 7th February, 7th March and 4th April at 2pm. If you are a carer, please pop along and get some support. Refreshments provided, no need to pre-book and completely FREE! Please contact Sue Lawson at the surgery or email her at susan.lawson7@nhs.net for more information.

Cambridgeshire Hearing Clinics 2018 – the next clinics at Willingham Surgery are on Wednesdays: 21st February, 21st March & 18th April. No appointment necessary, just pop along for your free NHS hearing aid batteries and for help and advice regarding hearing loss.

2018 has started with lots of fun and achievement at school. By the time this edition of the Bar Hill News arrives to families in the community, we will have opened our new play areas built to commemorate our 50th anniversary and to remember Dawn Miller, long serving play leader and colleague at school. The areas include opportunities for imaginative play with den building and "secret spaces" as well as climbing challenges. As ever, members of the public would be very welcome to visit the school to see the new play provision or any other aspect of school – feel free to book a tour through the front office (office@barhill.cambs.sch.uk).

It's with some sadness along with excitement over new opportunities that I write that this will be my last term at the school. I have been appointed as one of Her Majesty's Inspectors with Ofsted starting after the Easter holiday. This appointment comes as a huge honour to me and will be a natural progression for me after nearly 10 years of headship and nearly 20 years in senior leadership in schools. Since receiving news of my appointment, I have been working closely with the Chair of Governors to build a succession plan. Because the school is in such a strong position and has such strong networks across the country, including close ties with CMAT and Swavesey Village College, it is well placed to use this change in leadership as another opportunity for future positive developments for the children. Governors will update parents, carers and the community about this exciting opportunity for the school as the term progresses.

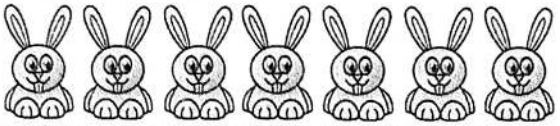
— BAR HILL CHILDMINDERS —

Bar Hill Childminders work as a close network of childcare professionals who offer a warm, friendly and loving home from home environment. We use the comfort of our homes as a base and can also offer your children the opportunities of day trips and range of outdoor experiences and take part in local community events and groups without being confined to one place.

We offer flexibility in the hours that we work to suit you and your child's needs with village rates, rather than having set session times.

Your child will receive focused and individual attention and care as we progress them through the EYFS curriculum. Child led play as well as structured and personally thought out activities will encourage them to grow and learn at their own pace taking in to account each child's individual needs.



Before/after school and holiday care for school aged children is available and leaves the stress out of your busy mornings and evenings.

We are Ofsted registered and inspected with 'Good' and 'Outstanding' inspection outcomes and are fully insured. We have access to childcare qualifications including level 3 in childcare. You can feel safe in the knowledge that we all hold Paediatric first aid certificate.

We welcome you to join us and have an informal chat at either of our friendly and inviting 'Little Bunnies' sessions on Tuesday and Thursday mornings from 9.45–11.15am in the Octagon, term time only – (£1.50 for one child under one, £2.50 for one child over one and £3 for 2 or more children). Here we offer a wide range of sensory experiences, activities, stories, singing and more...

Our Childminders are as follows:

Jacky	07718 447998
Melanie	01954 204496 – spaces
Terri	07846 018714 – spaces
Kirsten	07906 218070

Carol	01954 780238 – spaces
Karen	07930 196319
Janine	07879 613731

At our Tuesday Sensory sessions we'll be exploring activities related to 'Winter' then into Spring with 'Growing':

6 Feb. Valentines activities;
13 Feb. HALF TERM (no session)
20 Feb. Celebrating Chinese New Year using chop sticks with noodles and rice;
27 Feb. Planting cress;
6 Mar. Music and movement;
13 Mar. Mothering Sunday activities;
20 Mar. Planting and playing with compost and bulbs;
27 Mar. Easter activities.

THE CAMBRIDGE STROKE GROUP

The Cambridge Stroke Group is a support group for all stroke survivors in Cambridgeshire. The group, a small charity run entirely by volunteers, was created with the joining together of Different Strokes, Cambridge and The Stroke Association to help provide a comprehensive support group for all those, of any age, who have had a stroke.

The Cambridge Stroke Group provides support and a lifeline to its members, helping to transform their lives and speed up recovery after a stroke by gaining independence, establishing new friendships and experiencing new activities.

The aim of the group is to provide a meeting place in a friendly and caring environment for people who have had a stroke, their families, carers and friends. It is a place away from the hospital that offers emotional and social support to stroke survivors and a chance to meet others who have also experienced the potentially devastating effects of having had a stroke.

Our drop-in meetings are calm, friendly and informal and everyone is welcome to pop in for a cup of tea or coffee and a chat.

We meet every Thursday afternoon between 1pm–4pm at the David Rayner Centre, Scotsdales Nursery and Garden Centre,120 Cambridge Road, Great Shelford CB22 5JT.

For any further information please email us on info@cambridgestrokegroup.co.uk, visit our website on www.cambridgestrokegroup.co.uk or ring Helen Long on 07540 513225.

Village travel hubs

Three South Cambridgeshire villages have been proposed as possible areas for new "rural travel hubs" to better connect residents with public transport, walking and cycling routes. The pilot hubs, to be funded by the Greater Cambridge Partnership, will be travel interchanges that are tailored for individual areas. They could include new sheltered bus stops, secure cycle parking, cycle lockers and extra car parking. They will be located close to existing railway stations, bus stops and cycleways and walking routes.

The suggested hub at Oakington would be near Station Road, next to the Guided Busway and adjoining footway and cycle path. The facilities proposed include secure cycle parking and cycle lockers, a stop with room to turnaround for a bus, a drop off area and more than 40 car parking spaces.

An example of what a hub could look like is already in place in Swavesey, alongside the Guided Busway track. Facilities there include covered cycle parking with CCTV, a bicycle pump, sheltered bus stops and a car park with drop-off points. The Swavesey interchange also has a shared foot and cycle path to nearby Over.

— BAR HILL CRICKET CLUB —

We're already beginning to plan the 2018 season and it won't be long before we are working on the pitch and beginning to think about the first matches.

We know we will be playing in Division 3W in the Cambridgeshire Cricket Association Junior League on Saturdays.

We will be in the same league as Bassingbourn, Madingley, Cambridge St Giles III, Histon III, Bottisham/Lode, Milton, Haslingfield and Newton.

We will also have a team in the Cambridge Business Houses League, with midweek matches starting at 6pm.

As well as the adult teams, for the first time in some years we will have a youth team competing in the CYCA structure at under-11s, and we will also be running our weekly youth training sessions.

I will be able to say more about all these things in the next couple of editions of Bar Hill News. In the meantime, for more information about the club, visit www.barhillcricket.org.uk or call the number below.

We are always looking for new players of all ages – regardless of experience, so if you fancy joining us, give me a call.

— HEIDI ALLEN MP —

This is my first newsletter of 2018 and I would like to begin by wishing everyone a happy and heathy new year!

Oakington's latest community facility is now open! **Crossways CommuniTea Café at 1 Longstanton Road, Oakington** is a social enterprise with the aim of bringing the community together in a warm and welcoming environment. It was a pleasure to do the honours and cut the ribbon. I hope you will be able to support the café by popping in soon for a cuppa. I can confirm beyond all doubt that they make a cracking brew!

I was pleased to be asked to record a message for ***"Talking News for the Blind"*** which is provided to about 200 blind and partially sighted people in Cambridge and surrounding villages. This local charity does vital work to bring information and news to people who may feel isolated otherwise.

In Westminster, the Agriculture Minister George Eustice kindly agreed to meet with some of my South Cambs farmers to discuss what life might be like for them outside the EU. We had a full and frank discussion about what small and large farmers will need to keep this vital industry profitable. We all agreed it was a very worthwhile meeting and took great reassurance from George's understanding of the challenges the industry faces.

Since my last newsletter I have held two surgeries. Listening to the views and concerns of constituents and helping them with issues affecting their lives is an important part of my role.

My next surgery will be on **3rd February 11am–1pm** at **the Hare and Hounds, 60 High Street, Harlton CB23 1ES**. All are welcome so I like to run a "no appointment necessary" system, but the last surgery was incredibly busy so I'd recommend you get there early if you can.

Details of all upcoming surgeries can be found on my website – www.heidisouthcambs.co.uk. To contact me, please email heidi.allen.mp@parliament.uk. You can also phone my Westminster office on **020-7219 5091** about national issues or my constituency office on **01223 830037** for local concerns.

— VILLAGE HALL —

01954 782892

Bar Hill Preschool is open 9am–3pm Monday to Friday, term time for children aged 2–5 years. We offer sessions through the Early years funding scheme, funded two's and accept childcare vouchers.

Our ethos is to ensure high quality care by focussing on each child's ability and interests, providing fun and exciting activities that children learn and develop skills through play in a safe and inviting environment.

Our keyperson and buddy system ensures every child is well supported by qualified practitioners who have a wealth of experience. We work in partnership with parents and our online learning journal supports this by providing families with regular information on the child's development and next steps identified, parents can upload evidence from home too and add their own comments.

Our inside area provides views across the village green in a inviting and welcoming atmosphere. Children can access toys and equipment independently. Skills are developed through activities and routines eg children help to prepare snack with safety knives and learn about how to stay healthy. Lunch clubs are a social time and adults sit at tables with children while they eat own packed lunch, encouraging friendships and social skills.

The extended outdoor learning environment provides opportunities from growing fruit and vegetables for our snack bar to exploring the mud kitchen, large sand pit and our sensory garden.

We welcome visitors from the local community that support our curriculum further.

Interested? You can find out more information on our website www.barhillpreschool.co.uk or call us on **01954 782892** to book an informal visit or for an application form.

— COUNTY COUNCILLOR'S REPORT —

The report on the **A10 [Ely to Cambridge Transport Study]** has now been published. The subsequent press release did not cover all the detail that may be of interest to many of you. There is much of significance for residents to the north of Cambridge and importantly, in the context of the planned new town at Waterbeach, it demonstrates that high quality off and on-road links to Waterbeach are both possible and economically justified. The key report can be accessed at: http://bit.ly/2Di5Rwb. In particular look at: page 30 for the 5 options; pages 31-35 for the maps and page 62 for the crucial table of cost/gains.

A recent survey of the **Cambridgeshire Guided Busway** has revealed that since the busway opened in 2011 the operators have carried over 20.2million passengers; nearly half of those surveyed said that if they hadn't been able to use the busway, they would have travelled by car; 6 in 10 said that the busway's reliable service was its most important feature with over 90% expressing satisfaction with the service; 1 in 5 thought that increasing the number of buses would encourage higher ridership and 1 in 4 said they had also used the busway route for journeys by foot or cycle.

The County Council's new **Innovate and Cultivate Fund** offers funding for community initiatives that support and strengthen local communities and, in so doing, also reduce pressure on County Council services. Applications are being invited from organisations and groups that offer support for adult social care, children and families' services and the waste service. There are two funding streams: the 'Cultivate' stream offers small grants of £2,000 - £10,000 and the 'Innovate' stream is for larger grants of up to £50,000. Deadlines for the next round of applications are: 1st May for 'Cultivate' and 9th March for 'Innovate'. Application forms and further information is available on the Cambridgeshire Community Foundation website, info@cambscf.org.uk. Meanwhile the County Council is offering an opportunity for prospective applicants to talk through their ideas prior to submitting an application. The Innovate and Cultivate Fund Advice Session has been arranged for Thursday 8th February 2018 between 0945–1200 at Ely Community Centre. You can also book a group advice session on writing a good application or sourcing data to support your application. If you are interested in attending you do need to book an appointment at: https://www.eventbrite.co.uk/e/innovate-cultivate-fund-advice-session-tickets-41337609904. It is expected that demand will be high and, as a result, those without appointments are unlikely to be able to be seen on the day. For any queries on the advice sessions, contact lianne.parrett@cambridgeshire.gov.uk.

Please do contact me about any concerns or questions you have. If you would like to receive a copy of the full report that I write for the division's parish councils each month, please email me and I will add you to its circulation. Meanwhile my best wishes to you all for the forthcoming festive season.

Honest advice with a smile, we go the extra mile!

A MESSAGE FROM THE CHIEF CONSTABLE

The future policing model for Cambridgeshire has been agreed and will begin to roll out from 30 April. In November I announced plans to create a sustainable policing model following an unprecedented increase in demand for our services.

Our current policing model is hampering our ability to manage demand. Like forces across the country, Cambridgeshire faces an unprecedented workload, and officers and staff are working long hours with heavy workloads.

Our focus remains to protect the most vulnerable people and target the most serious offenders. But this means I have to be realistic about what we can and cannot attend, and make some difficult decisions about our future structure within our current budget.

The new model is focused on putting more officers on the frontline so we can provide you with the best service possible. This structure will enable us to fund an additional 50 officers, which will make a difference to the people of Cambridgeshire. It retains our commitment to providing neighbourhood policing and working in partnership with communities to reduce crime and to make them safer through effective problem solving. Every resident will still have access to their local policing team, with an identified police community support officer (PCSO) in their area.

Below is an overview of the new structure:

- Every resident will be able to access their local policing team and have an identified PCSO in their area. However, there will be no new intakes of PCSOs and the current headcount will reduce by natural turnover over coming years, with a commitment to retain a minimum of 80 full time equivalent posts.
- Additional officers will be in those areas where our most vulnerable people and most dangerous offenders are, focusing on issues such as child protection, rape investigation and domestic abuse.
- A Demand Hub will be created to merge the force's contact and crime management functions centrally at force HQ. This will modernise our approach to public contact and allow for early and more effective management of demand.
- We move to just two areas, north and south, enabling us to commit more resources to the frontline.
- A Missing, Exploited and Trafficked (MET) Hub will be created, tasked with protecting children most at risk of harm within these areas and focused on apprehending the offenders who target them.
- There will be changes to our current intelligence structure, which will enable us to increase our analytical provision, allowing improved analysis of demand.
- PCSOs will continue to play a central role in neighbourhood policing and problem solving.
- Community action teams, similar to the current Rural Crime Action Team (RCAT), will be created to respond to local problems and challenges. These officers will be tasked with dealing with local issues, prioritising those where the risk to individuals and the public is highest.
- Every district council area will have an enquiry office function.
- A reduced number of response bases will allow for maximum efficiency in response deployment.
- The force will continue to have a serious and organised crime team, cyber and fraud team, and surveillance team to tackle crime gangs.

Chief Constable Alec Wood

THE COTTENHAM YESTERYEAR ROAD RUN 2018

Due to circumstances beyond our control we have been reluctantly compelled to cancel 2018's Yesteryear Road Run, scheduled for April, because the traditional circular route uses the so-called Airfield Road between Longstanton and Oakington. This will be closed and dug up as part of the on-going Northstowe development. We have been trying for months to get a firm assurance from developers on whether the road will still be open in April without success. The route has to be finalised several months in advance, so we have no alternative but to cancel. We very much regret this decision, but hope you will understand.

While everyone involved is disappointed, the real losers are the Arthur Rank Hospice Charity, for whom the last Run raised over £9,000. To make sure the Charity doesn't lose out completely, we have set up a just-giving page: www.justgiving.com/fundraising/vivien-lampard

Alternatively, donations can be sent to me at: 319 High Street, Cottenham CB24 8TX. Thanks in advance for your generosity – all receipts will go to the Charity.

For the future, we understand that a new link road that will effectively replace the Airfield Road is included in the A14 project and should open in Summer 2018. We are hopeful that the Yesteryear Road Run 2019 is secure!

Thank you all for your support in the past and in the future.

Vivien Lampard—on behalf of the Cottenham Yesteryear Road Run Committee

— NEIGHBOURHOOD WATCH —

CCTV (Closed circuit television) is becoming increasingly popular with security-conscious homeowners and equally unpopular with potential burglars. However, while it may help deter crime and antisocial behaviour, **do not** neglect basic security advice – door and window locks, security lights, and making your house appear occupied even when you are out.

If you consider buying CCTV:

⇒ Resist buying from cold callers.

⇒ Research the types of CCTV available to decide which is best for you. Systems vary in quality and price.

⇒ CCTV systems must comply with privacy laws and not record outside your boundaries e.g. pavements or other people's property.

⇒ It's a good idea to discuss any CCTV plans with your neighbours first – and even consider sharing a system with them, which might also cut costs.

⇒ You may need to display a CCTV notification sign.

⇒ Consider a security light near the camera. When the light activates, an intruders' natural reaction is to look at it. If they see a camera next to it, they will know you just got a shot of their face... and won't stick around after that.

⇒ Information recorded should only be used for its intended purpose i.e. home security. It should not be shared e.g. on social media.

For further information ring 101 and ask for Rachel Carr or visit www.gov.uk/government/publications/domestic-cctv.

— FEBRUARY BULLETIN — CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

On-call firefighters are a vital part of today's fire and rescue service, providing an efficient, effective service that gives emergency cover to more than 90% of the UK. In Cambridgeshire they make up 56% of the workforce.

An on-call firefighter is not based at a fire station but carries a pager and responds to emergency incidents as and when they happen. They receive an annual wage to reflect the time they commit to being available, plus additional payments for attending incidents and drill nights (one evening a week for two hours).

On-call firefighters are men and women who may have other jobs and are able to provide evening, daytime, or weekend cover. When they are on-call they may be at home, working for themselves or for a nearby company, or out in their local community within our 5 minute radius of the station itself. Our on-call Firefighters are mainly located in rural communities, small towns and villages, and we will be able to tell you if you are within range to apply to be an on-call firefighter.

If you are interested in becoming an on-call firefighter please go to our website www.cambsfire.gov.uk and search for on-call firefighter under the careers section. Or contact the recruitment team at recruitment@cambsfire.gov.uk.

AN UPDATE ON FEN DRAYTON LAKES

giving nature a home

What's been happening – we and our volunteers had a busy winter working to improve the lakes for both people and wildlife. Over on the North West of Elney Lake we have removed some mature trees to give a long view across. This adds an interesting element to one of the most wooded walks on offer. We've also done a great deal of work to open up the popular route to the Ferry Mere shelter, in an attempt to allow the path to remain dryer and firmer under foot. This kind of work also helps to revitalise and diversify the vegetation.

Wildlife – bitterns returned to spend the winter, with up to three being seen at once from the Elney viewpoint adjacent to the busway. This viewpoint also produced barn owl, marsh harrier, bearded tit and snipe. Sometimes there were a couple of thousand starlings gathering at dusk.

Dates for your diary – we'll be hosting an Easter themed willow weaving workshop on Sunday 25th March (booking essential: **01954 233260** or email fendraytonlakes@rspb.org.uk to reserve your place).

From Monday **26th March** to Monday **2nd April** there will be fun-filled activities, including an Easter-themed nature trail. A must for all the family! Up-to-date information on our website: rspb.org.uk/fendraytonlakes.

Ever thought about using your skills to help your local wildlife?

We're always on the lookout for volunteers to help in a variety of flexible roles. You'd be amazed what help we need, and you might be surprised to learn that some of our volunteering can be done at home or in your shed, as well as in our office or out on the reserves while walking or wildlife watching. There's no minimum time commitment, but if you do 50 hours in a year you'll receive a volunteer card which entitles you to free entry and parking at all our reserves, plus up to 20% off RSPB purchases. You're guaranteed to meet likeminded people and make new friends.

If you think you may be able to contribute, please email tim.fisher@rspb.org.uk or tel: **07568 116413**.

For general reserve information:- tel: **01954 233260**; visit rspb.org.uk/fendraytonlakes.

MATHS TUITION

My name is Ashley Bell. I am a 37 year old male offering Maths tuition. I have an honours degree in education, so along with my experience of working in mainstream and SEN schools, I can adapt my approach to fit the needs of your child. I can tutor any age up to GCSE Level, whether that be exam preparation, preparation for a new school/new year, or just general Maths tuition.

I am on the DBS Update Service, so no need for new checks.

Contact me at ashleymbellaf@gmailcom or **07432 015314**.

Rates: £15 per hour.

FOR SALE

Dark wood **Drinks cabinet** with other storage and display. Total measurements approximately 1m 80cm high x 1m wide x 45cm deep. £50 o.n.o.

Tel. **01954781757**. Buyer to collect.
